

Colours

Gath Gedi EN 1385 Approved
(350-410 grams) Combines higher levels of impact protection with close fitting comfort and low drag performance and is fully convertible with removable ear protectors, visors and peaks.

Size Chart

Gath Surf Convertibles are fitted with comfort strip as per above:

Helmet Size	Comfort Strip Fitted	Additional Strip/s	Fits Head Size
Small	10.5mm	12mm	540mm - 555mm
Medium	7.5mm	9mm	560mm - 575mm
Large	4.5mm	6mm & 7.5mm	580mm - 590mm
X Large	9mm	10.5mm	595mm - 610mm
XX Large	4.5mm	6mm & 7.5mm	610mm - 620mm

This sizing chart is a guide only, as head shapes vary.
Measurements should be taken around the head - mid forehead, just above the ears.

TECHNICAL INFORMATION

GET AHEAD, GET A GATH CONVERTIBLE

The brand you know and trust for the best head protection for surfing sports now delivers the ultimate helmet combinations for all water activities on the edge. Cool, space age styling, with quality and performance second to none.

Gath backs up its Australian Design Award winning surfing helmet with two new models designed for the realistic requirements of professionals and sports enthusiasts. With amazing innovation in versatility and style, comfort and protection from the more regular injury mechanisms, shelter from the elements, Gath continues to lead the way with ALL the design criteria that are essential for safe and practical water use.

FULLY CONVERTIBLE

The latest hydro dynamic Gath Convertibles adapt easily to give a choice of performance benefits.

Mini Skull Cap: slip off ear pockets, allows maximum hearing, balance, cooling, freedom of movement.

Full head Cover: slip on ear pockets (55 gram set), provide maximum coverage, stability, ear protection, warmth & adjustable audio vents.

Detachable Shatter Proof Visors: UV eye protection (Rated UPF 50+ Excellent Protection Category), glare reduction, increased facial impact protection, eye object penetration resistance.

FITS ALL SIZES

Superior flexible design increases the level of comfort for ALL head and face shapes!

Five sizes S, M, L, XL and XXL with an innovative comfort fit system that allows personal customisation for a secure fit for ALL head sizes from Small to XX-Large.

UNBEATABLE COMFORT

With or without ear pockets Gath lightweight Convertibles deliver a good level of protection and the comfort to forget you're wearing a helmet.

SAFETY & PERFORMANCE

Gath is unequalled in and on the water for design balance between safety & performance with high quality head protection from sun, wind, water and impact injury.

- Versatility to adapt for all requirements & conditions.
- Popular features of the original Gaths plus radical new styling.
- Low drag, good water immersion & neutral buoyancy, which minimise the risk of neck and spine injury for water impact.
- Sleek new shell profiles shaped for freedom of movement and maximum peripheral vision.
- Moulded non-absorbent closed-cell soft foam liners contoured for comfort and rapid water drainage.
- Quick drying, even after extensive use in the water.
- Non corrosive components and adhesives for long lasting durability in the harshest marine conditions.
